A Scribe named Nadie uses her powers to send an ominous message to the entire world: “What would you do if you knew the world would end next week?” As confusion erupts into mass hysteria, Io, an Editor tasked with policing Scribes, must hunt down the renegade Scribe. But as the world is engulfed in a series of supernatural catastrophes, Io discovers a terrifying possibility: Is Nadie planning to write humanity’s extinction? And is she somehow linked to Io’s past?
